Dear Sylvia,

Greetings in the name of Jesus Christ.

Thanks once again for your relevant, helpful and thoughtful workshop on 'Grief', conducted on the weekend of 28<sup>th</sup> and 29<sup>th</sup> May 2004 in our church. The workshop was well received and appreciated by many who were in attendance.

Could you please inform me about other workshop / seminar topics available, as we would be interested in having you come and present further workshops / seminars in our church sometime in the future when you are next in Victoria.

Hoping to hear from you soon,

God bless,

*Paul B Jenkins*
