

To Whom It May Concern:

My name is Sheryl Place. I attended the Cert IV in Foundations of Christian Counselling in 1999 – 2000 and completed the program as a personal development program and while I completed all of the assignments, I did not pursue qualifications.

In 2001 I applied for a position as a School Chaplain with Scripture Union and was successful with the application. The success of my application was due to the subjects I undertook and my completion of the required assignments and readings as well as my personal growth through this course. Even without attaining the qualifications, the subjects covered and the readings completed were sufficient for meeting the requirements of the position I have now held for the past three years. This position represents a change of direction from my prior work experiences.

I am currently undertaking a Bachelor of Arts and believe that the subjects covered in the Cert IV in Foundations of Christian Counselling are equal to the equivalent of a diploma because of hours required and the depth of content.

Yours faithfully

Sheryl Place

Chaplain Sarina High School
